Dear Liz and Mark

Congratulations on the outcome of your recent Ofsted inspection!

This good judgement is the result of your determined leadership and reflects the sustained hard work of the staff and governors. You have ensured that pupils get an ever improving quality of education and have enabled the whole school community to work together to support the school. There are so many positive statements in the report that it is difficult to single out one for special mention. I hope you feel rightly proud of the achievement.

May I take this opportunity to wish you, your pupils, parents, staff and governors every success in the future.

Yours sincerely

Jane Moore
